

# ADVISOR PROFESSIONAL DEVELOPMENT WEBINARS

## INTEGRATE DECA INTO YOUR CLASSROOM!

Looking for a better understanding of the DECA program or ideas to keep your students engaged this year? Want to help your students prepare for competition season? Then make plans to participate in one of our upcoming California DECA advisor professional development webinars!

These free, live presentations will enhance your utilization of DECA Inc. learning activities and competitions to bring concepts to life for your students.

### LET'S TALK ABOUT DECA

October 4, 2017  
3:30 - 4:00 p.m.

Learn how DECA fulfills its mission through its guiding principles and Comprehensive Learning Program. DECA programs and activities support educational initiatives and prepare emerging leaders and entrepreneurs to be college and career ready.

### THE ADVISOR'S ROLE & INTEGRATING DECA INTO THE CLASSROOM

October 11, 2017  
3:30 - 4:00 p.m.

This module covers the art of mastering the roles and responsibilities associated with being a DECA advisor. Become a competitive events champion by integrating DECA's Competitive Events into classroom curriculum.

### DECA COMPETITIVE EVENTS 101

October 18, 2017  
3:30 - 4:00 p.m.

DECA's Competitive Events Program is based on National Curriculum Standards, the Career Clusters model, and all of DECA's competitive events also integrate 21st Century skills. Take an overview of DECA's competitive events offerings. This session provides an introduction to DECA's competitive events, performance indicators, and where to find more resources.
